U.S. MARINES' HYMN

From the hall of Montezuma
to the shores of Tripoli,

We fight our country battles in
the air, on land and sea.

First to fight for right and
freedom, And to keep our
honor clean,

We are proud to claim the title
of United States Marines.

Our flags unfurl'd to every
breeze, From dawn to setting
sun;

We have fought in every clime
and place, Where we could take
a gun.

In the snow of far-off northern
lands, And in sunny tropic
scenes.

You will find us always on the
job – The United States Marines.

Here's health to you and to our
Corps, Which we are proud to
serve;

In many a strife we've fought for
life, And never lost our nerve.

If the Army and the Navy, Ever
gaze on Heaven's scenes,

They will find the streets are
guarded, By United States Marines.
