Dear Moss Creek Marines,

Thank you very much for the thought and effort you put into making us a care package. Unfortunately it was damaged enroute and we did not receive the pillows. Also it was sent to Charlie company and not Bravo, which I think it was originally intended for. We did however, receive a lot of wet wipes and slim jims which the Marines really enjoyed. It is patriots like yourselves that make enduring the hardships of war worth every second. On behalf of the Marines and Sailors of Charlie Company we say thank you and hope all is well back in Hilton Head. God Bless & Semper-Par.

Respectfully,

Capt Jason T. FORD
CB Company C, 1st LAR Bu
