Dear Ma'am, Sir

My name is Jeffrey Peters and I am the Family Readiness Officer for Combat Logistics Battalion 2. I recently received 750 pillows from your organization. I will be passing them out right before the Marines and Sailors get on the bus for their long trip to Afghanistan. They will bring much comfort on the bus, the plane and then while in country.

It is a blessing to know that there are others out there who think about the military on a regular basis. I was in the Marine Corps for 22 years and loved every minute of it. I would like to thank you for taking your time to help others out. These pillows will give the Marines and Sailors some comfort on their long journey.

Once again I would like to thank you for all that you do. If you ever need any assistance or help please let me know.

Thank you.

V/R
